This the tenant refused to allow as he had agreed to strip and deliver the crop. The tenant, John W. Boone, in an affidavit, substantiates Mr. Byron's statement.

OUR SECOND GREAT SEMI-ANNUAL CLEARANCE SALE

Begins Monday, August 12th,

And continues until every job in our house is sold. Last summer we contracted for extra advertising space in order to draw your attention to our sale; advertised a great and sweeping clean-up sale; stuck to the letter to what we advertised, and as a result had the most satisfactory Buggy Sale ever held in Maysville carrying over one buggy only. This year we do not intend to have one rig left in our repository, and are marking the vehicles at such ridiculously low prices, and backing them up with such a strong guarantee, that you cannot help but buy if you are needing a rig of any kind. The case is this: We have the Vehicles and need the money; you have the money and need the Vehicles. Now is your opportunity.

We include in the sale all Buggies, Runabouts, Surreys, Phetons and Carts in our repository. Don't you think it will pay you to investigate?

WHY?

That little word and the interrogation point may mean little or it may mean much. When applied to roofing it means a good deal. The manufacturers of and dealers in nearly all "Composition" "Felt" and "Rubber" roofing tell you of their two and three-ply roofing and its superior qualities and then ask you \$1 to \$2 per square more than for single-ply. When you examine roofing ask the weight. That's the test. Our Climax Asphalt weighs 60 pounds per square and is sold as low as the 35 and 40-pound kind. Investigate this before purchasing.

Elder W. W. Hall returned to his home in the county, after a two weeks sojourn here and in Lewis county.

The basket-meeting at Mower's Park Sunday was largely attended and coming close on the heels of the G. A. R. reunion was seemingly a continuation of the same. Elders Hall, Moore, Degman, Tomison, all able exponents of the gospel, were present and each did his part. The theme of the day, as introduced by Elder Hall and discussed by the others, was that "Christ's principal mission on earth was to teach us of God as a loving father and not as a relentless judge," as had previously been the universal opinion.

Miss Edna Dicks has returned to her home, after a pleasant visit with Mrs. Ida McDonald.

Leona, the bright little daughter of Mr. and Mrs. John Elliot, is suffering from a broken arm and dislocated wrist, the result of a fall while playing in the barn. Dr. Hord is the attending surgeon.

Mr. and Mrs. C. C. Degman spent a pleasant day with Scott Fletcher and Miss Fletcher at their home near Rectorville. The ladies are very capably managing their large and well stocked farm while Mr. Fletcher is enjoying the summer with relatives and friends in the far West.

A copy of The Everett (Washington) Herald of the 19th inst. contains the following: "Mr. Scott Fletcher of Maysville, Ky., stopped here yesterday to be a weekend guest of Mr. and Mrs. U. P. Degman of 3232 Rockefeller avenue, after which he will go to Portland, Oregon, San Francisco, Reno, Nevada, then expects to return home."

VALUED SOUVENIR

Of the Great San Francisco Conflagration Owned By a Maysville Lady.

Mrs. Matilda Eitel of the Hill House has in her possession a souvenir of the world's greatest conflagration—the burning of San Francisco April 18th, 1906.

Mrs. Eitel was residing in that city with her daughter at the time and the home in which they resided was one of the many that was consumed by the devouring element, losing all their worldly possessions and barely escaping with their lives.

Several days after the fire, together with her daughter, she visited the desolate and smoldering ruins of their once cozy home; not a trace of it was left excepting a stone door-step and an ornamental vase.

Among her effects before the fire was a large beautiful vase; this with other trinkets she had packed away in a chest, intending them for presents when she returned to her home in Kentucky, and of every perishable thing in the house, this alone passed through the fiery ordeal and escaped destruction, though discolored and slightly warped by the intense heat.

It is now prized as a memento of the most thrilling experience in the life of this good woman.

All the Maysville Banks—five, will close next Monday, same being "Labor Day."

Miss Josephine Archdeacon and Mr. Homer L. Rankin, who eloped from Carlisle and at first were refused marriage license at Jeffersonville, Ind., on account of their youth, at last had the nuptial knot tied, the father of the groom having wired his consent.

The following people accompanied the remains of the late Mrs. Rose Niland from Covington; her son Will and wife of Cincinnati, Mrs. William Thomason and son Niland of Marietta, Mr. and Mrs. Herman of Chillicothe, Mrs. Howard Cady and daughter and Miss Goodman of Cincinnati.

8100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient's strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
